When it comes to entertainment Soundtrack rolls out the red carpet! Comprised of veteran musicians, they know what it takes to pack a dancefloor. They like to have fun and love nothing more than to entertain a crowd. Soundtrack consists of Tracy Butler on lead vocals, lead guitarist Aaron Geoffrey, Bryan Fields on bass, Bill Glaholt on keyboards and Gary Huntzinger behind the drumkit.

You can expect to dance the night away to hits from Saturday Night Fever, Footloose, Flashdance, Purple Rain and many more. They'll take you "back in time" through music and clips from your favorite films. Singing along and dressing as your favorite movie character is highly encouraged. Soundtrack is available to play private parties.
